**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Before Sonic offered Gigabit internet in my neighborhood I was stuck with more expensive and considerably slower alternatives. Please ensure that companies like Sonic can continue to compete with AT&T, Comcast, etc as this benefits consumers and the economy as a whole. Without the ability to access common infrastructure Sonic would not have been able to improve service and reduce costs for my family.

Robert Ellison
